SUMMARY OF COMMENT CONTINUED	

If you were involved in an incident with the Lafayette Police Department and experienced unsatisfactory service with a police department member, you have the right to make a complaint against that member of the Lafayette Police Department for any improper conduct. You have the right to make a complaint and have it investigated if you believe a department member behaved improperly. It is against the law to make a complaint that you know is false. If you make a complaint against a department member knowing that it is false, you can be prosecuted on a misdemeanor charge.

I have read and understand the above statement.
