Mental health and other essential health and human services for Lafayette residents are facing pressure when they're needed most.

La salud mental y otros servicios esenciales de salud y servicios humanos para los residentes de Lafayette enfrentan presiones justo cuando el pueblo más los necesita.

The coronavirus pandemic has increased the need for mental health and human services among Lafayette residents. **If approved, this ballot measure will increase funding for:**

- Community nonprofits to provide safety net services for residents most in need of assistance with food, rent, utilities, childcare and medication.
- Human services for underserved residents who need help with proper medical care, family and legal advocacy, and personal referral assistance when necessary.

- Community nonprofits to help residents in need of mental health services and support victims of domestic violence and abuse.

What are safety net services?

Safety net services are what you might need in a crisis like:

- Mental health treatment
- Food support
- Rent assistance
- Help paying utility bills
- Childcare
- Medical care
