

The City of Lafayette invites you to participate in our Memorial Bench

Program.

The program provides a special way to honor a loved one, celebrate a special event in your life or honor a person or organization that has made a difference in the community.

### *Details*

People may participate in the program by making a donation of \$2,000 to cover the cost of the bench, bronze plaque, and installation. The DuMor benches are 'cedar' colored, six-feet wide, and made using a high quality, durable, recycled plastic product. At the donor's request, the 2"x10" zinc plaques can be personalized with a message of 50 characters or less.

### *Details (continued)*

Parks and Open Space staff have pre-determined appropriate locations for memorial benches along trails and in park properties.

Benches will be ordered upon receipt of payment and approval of plaque wording by staff and the donor. City staff will install benches as time and weather permits.

### *Plaques*

Zinc plaques are 2"x10". Their placement on benches will be determined on an individual basis. All wording submitted for plaques is subject to the approval of Parks and Open Space staff.

### *Plaque Wording*

Please fill in the blanks below to reflect exactly how you would like the plaque to read. Italics may be used (please indicate by using quotation marks). Limit of 50 characters please.

Plaque Verbage:
