

City of Lafayette

Fire Restrictions in Effect

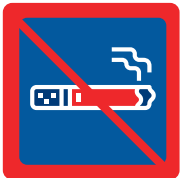

The implementation of carefully considered restrictions during times of increased wildfire risk allows the City to protect the community from preventable wildfires.

Stage 1 Fire Restrictions

To prevent wildfires, the following items are prohibited:

- Charcoal barbeques and grills on public land (parks, open space)

- Smoking outdoors except on private property that is concrete, asphalt, or on barren ground

- Fireworks (always prohibited regardless of fire restriction level unless a permit is obtained)

- Discharging a firearm (always prohibited regardless of restriction level)

- Open burning (ditches, fields)
- Explosives (unless a permit is obtained)
- Gas powered tools without a spark arrestor
- Parking in grass or vegetated areas
