### **Desired Qualifications or Interests**

The Lafayette Cultural Arts Commission (LCAC) looks for residents who want to plan, assist, advocate for, and participate in the cultural arts. A commissioner does not have to be an artist. One must believe that the spectrum of cultural arts is an important part of what makes Lafayette vital and special and want to commit time to that idea. We also seek to reach under-served populations in Lafayette and hope you can assist us in those goals.
