

Sidewalk Signs

Businesses along Public Road and East Simpson Street are allowed one (1) sidewalk sign which may be in the abutting street right-of-way. Businesses not located within the approved area are prohibited from having sidewalk signs. See the attached **Designated Sidewalk Sign Area** in the Lafayette Old Town Business District to see if you fall within the approved area.

Requirements

A sign permit is required. Please fill out a sign permit application and include a color photograph or graphical representation of your proposed sign, the dimension of the sign, and site plan showings its proposed location. Submit your application to the Planning & Building Department at City Hall, 1290 S. Public Road or email application to buildingpermits@lafayetteco.gov.

Guidelines

- The sign shall be no greater in size than 2 ft. x 3 ft.
- Signs must be constructed of materials that present a finished appearance. Rough cut plywood or plastic are not acceptable materials. Painted or stained wood or metal is acceptable.
- The sign letter should be professional painted or applied. A yard sale or graffiti look with hand painted or painted stenciled letters is not acceptable, however, chalkboard signs shall be permitted.
- Logos are encouraged.
- Dark backgrounds are preferred.
- The sign may not contain prices or dollar and cents symbols greater than six (6) inches tall.

Contact Information

Contact the Planning Department at planning@lafayetteco.gov if you have any questions regarding sidewalk signs.
